## Our Preschool

Every human being develops in a holistic way. This is why our program is based on an integrated curriculum. We believe that every child has different needs, interests and backgrounds. We work to understand their personal history so that we can tailor an educational experience that is engaging and significant.

## About us...

### 1. Our Vision

Our vision is educating with passion and pursuing excellence in each student through innovative pedagogical techniques and a cooperative environment that promotes knowledge construction, critical thinking, problem solving and global collaboration.

### 2. Our Mission

To offer a nourishing environment, based on the Christian faith, integrating contemporary educational and technological principles, to foster a thorough development of each student's potential so that they may become a Christian Leader who is able to contribute to our globalized society".

### 3. Philosophy

We will invite your child to learn while playing CNA is a private education institution that began as a missionary work of the Iglesia del Nazareno Vida Abundante Levittown, Toa Baja. Being so, it is grounded on Christian principles.

### 4. We believe

That every person is created by God with particular competences, talents, interests, and needs. Each student should feel loved, respected and valued. That throughout the years, each person develops holistically; where physical, emotional, intellectual, social and spiritual facets of a person should all be nourished equally.
